The SS ***Polino*** had been travelling with freight and passengers to Newfoundland since the 1870's but, in the period 1886-1888, also was very occasionally utilized by the Postmaster General to carry outgoing Canadian or United States mail on an "as needed" basis. The mails were conveyed by the ***Polino*** as far as Sydney, for onward transmission by the North American railway network.

PRISONERS OF WAR MAIL

September 9, 1810 petition from a Schleswig-Holstein prisoner of war, held at Cambray, France to the French Minister of War. The soldier, born in Gorndorp, Oldenburg is asking to be given his freedom. It is likely that this soldier was captured in the 1809 Napoleonic Campaign in Austria where his regiment was part of the German Confederation contingent.

818

On the **address side** is a two-line hand stamp: *P.521/Cambray* and the boxed *P.P.* postage paid hand stamp. Free-franking privileges did not extend to soldiers in that period.

On the **back flap**, here above the address panel, is a double-circle 25 mm receiving postmark reading: *September/12/1810.*

In the left top corner of the photocopied letter is a ledger entry, presumably of the Ministry of War: *No.5888/dat 9-eme.*
