272 TRIPLE RATE WEIGHING 1 - 1 1/2 OUNCES 101 - 200 MILES Goderich to Toronto January 30th, 1840

The below cover is an example of a triple rate money letter that traveled a distance of 101 - 200 miles. The letter was written and mailed at GODERICH, JANUARY 30, 1840, to the Receiver General at MONTREAL. The post office at Goderich rated it 2/3 in black ink, indicating postage was to be collected at Toronto, and applied a black ink double split circle town/date handstamp. Also inscribed in the center is the letter "M" indicating that money was enclosed and "Money" inserted. 9d was the single rate for letters carried a distance of 101 - 200 miles and weighing 1/2 ounce or less. In this case the letter weighed between 1 and 1 1/2 ounces, hence the triple rate. The letter contained the sum of £17.

SINGLE RATE WEIGHING 1/2 OUNCE OR LESS
61 - 100 MILES
Niagara to Brantford
April 19th, 1849

The post office at Niagara applied a red ink double split circle town/date handstamp and single rated the letter in black ink 7 pence, indicating that postage was to be collected upon arrival at Brantford. It is believed that the money letter waybill number "1066" was applied by the Niagara post office. The letter arrived at HAMILTON on April 20th and was backstamped with a red ink double split circle town/date handstamp as well as the straightline "MONEY LETTER" handstamp appearing on the front side. The "Money" and "Cash" inscriptions found at the center and right were applied by the sender. Upon arrival at BRANTFORD, the cover was backstamped with a red ink double split circle town/date handstamp dated April 20th. The distance traveled totaled 81 miles - 56 miles from Niagara to Hamilton and 25 miles from Hamilton to Brantford, resulting in the rate of 7 pence. 7 pence was the single rate for letters weighing 1/2 ounce or less and traveling distances between 61 and 100 miles.

THE "GRAF ZEPPELIN" POLAR FLIGHT OF JULY 1931

There were no recorded Zeppelin airship flights that directly involved Newfoundland. Mail to and from the Dominion would have been sent via the USA or Canada, and this postcard addressed to Grand Falls, Newfoundland is one of the few mail items that were part of a mail consignment carried on a particular flight in 1931.

In order to raise funds for an arctic surveying expedition arrangements were made for the "Graf Zeppelin" airship to rendezvous with a submarine in the north polar region, and there to exchange mail and passengers. The airship would then continue on its surveying mission. The American submarine proved unfit for the intended trip, even after a refit in Tromsø, Norway. Fortunately the Soviet Union was mounting a scientific expedition to the archipelago of Franz Josef Land with the ice-breaker "Malgosha", which proved a ready-made alternative plan and was readily agreed.

Printed sent from St. John's, letter dated 25.7.31, also bearing the receiving receipt from the board of the airship "Malgosha", 27.7.31 in Grand Falls.

On 24th July the "Graf Zeppelin" took off from Friedrichshafen, Germany and following an over-stop at St. John's, Newfoundland, it headed for Leningrad in the bay off Hooker Island, where the exchange was carried out. Mail taken on board the "Malgosha" received a special handstamp, BRISE GLACE YGUIN ARTIQUE 27-7-31. A special cachet was applied to mail items on board the airship. The cachet was used to mark the mail as sent by the airship to the normal surface routes.

The distance traveled was 174 miles resulting in the quadruple rate of 2/9. This rate was obtained from four times the 9d per 1/4 ounce rate for 101 - 200 miles (i.e. 4 quarter ounces). 4 x 9d = 36d / 12 = 3/0. Inscribed (center) are the words "On H. Majesty's Service" and "Money Letter" by the sender, a Col. Munro of the 1st Grenville Militia. Toronto to Montreal
NOVEMBER 12th, 1839

This money letter was mailed at TORONTO, U.C., NOVEMBER 12, 1839 to Jules Guenet, a prominent steamboat and canal owner at MONTREAL. The year "1839", a double ring CITY OF TORONTO handstamp and PAID handstamp, all in black ink, were also applied at Toronto. The distance traveled was 397 miles resulting in the triple rate of 3/6.
