## 18 MONEY LETTERS 1835 – 1844
### Toronto to Montreal
### NOVEMBER 12th, 1839

This money letter was mailed at **TORONTO, U.C. NOVEMBER 12, 1839** to Jules Quesnel, a prominent steamboat and canal owner at **MONTREAL**. The postmaster at Toronto triple rated it 3 / 6 in red ink indicating that it was prepaid. He inscribed in red ink the letter '*M*' (upper right) indicating a money enclosure and the word '***Money***' (upper left). The year '***1839***', a double ring **CITY of TORONTO** handstamp and **PAID** handstamp, all in black ink, were also applied at Toronto.
The distance traveled was 397 miles resulting in the triple rate of 3 / 6. This rate was obtained from three times the 1 / 2d per ¼ ounce rate for 301 – 400 miles (i.e. 3 quarter ounces).
3 x 1 / 2d = 42d / 12 = 3 / 6.
The letter contained a bank dividend in the amount of £6-5-0 from John Baldwin.

## 20 TRIPLE RATE WEIGHING 1 - 1½ OUNCES
### 101 – 200 MILES
### Goderich to Toronto
### January 30th, 1840

The below cover is an example of a triple rate money letter that traveled a distance of 101 – 200 miles.
The letter was written and mailed at **GODERICH, JANUARY 30, 1840**, to the Receiver General at **MONTREAL**.
The post office at Goderich rated it 2 / 3 in black ink, indicating postage was to be collected at Toronto, and applied a black ink double split circle town/date handstamp. Also inscribed in the centre is the letter '*M*' indicating that money was enclosed and "Money" inserted.
9d was the single rate for letters carried a distance of 101 – 200 miles and weighing ½ ounce or less. In this case the letter weighed between 1 and 1 ½ ounces, hence the triple rate.
The letter contained the sum of £17.

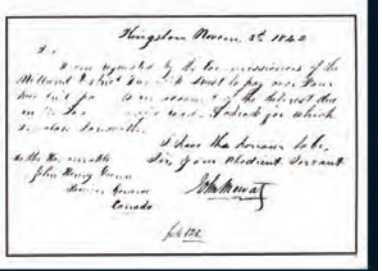

## 22 FAVOUR MONEY LETTER
### Kingston, U.C.
### NOVEMBER 5th, 1842

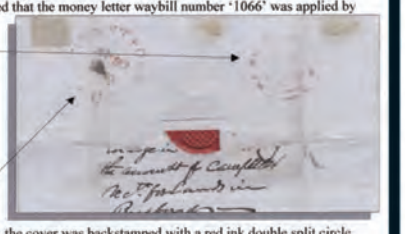

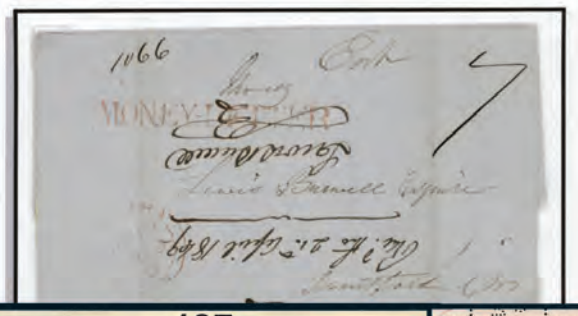

The above letter was mailed at **KINGSTON, U.C. NOV 5, 1842** to the Receiver General at Kingston. The postmaster at Kingston applied a red ink double split circle handstamp and did not rate the letter as it was addressed to Kingston.
The letter was inscribed '***Money***' by the sender and contained the sum of £400-0-0 for interest due on a loan for road work.

## 24
## SINGLE RATE WEIGHING ½ OUNCE OR LESS
### 61 – 100 MILES
### Niagara to Brantford
### April 19th, 1849

This money letter was mailed from **NIAGARA, APRIL 19, 1849** to **BRANTFORD** via **HAMILTON.**
The post office at Niagara applied a red ink double split circle town/date handstamp and single rated the letter in black ink 7 pence, indicating that postage was to be collected upon arrival at Brantford. It is believed that the money letter waybill number '1066' was applied by the Niagara post office.
The letter arrived at **HAMILTON** on April 20th and was backstamped with a red ink double split circle town/date handstamp as well as the straightline '**MONEY LETTER**' handstamp appearing on the front side.
The '***Money***' and '***Cash***" inscriptions found at the centre and right were applied by the sender.
Upon arrival at **BRANTFORD**, the cover was backstamped with a red ink double split circle town/date handstamp dated April 20th.
The distance traveled totalled 81 miles – 56 miles from Niagara to Hamilton and 25 miles from Hamilton to Brantford, resulting in the rate of 7 pence.

PRISONERS OF WAR MAIL

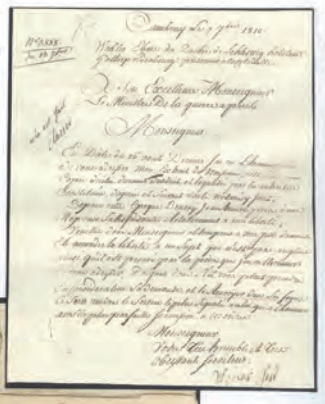

**September 9, 1810** petition from a Schleswig-Holstein prisoner of war, held at Cambray, France to the French Minister of War. The soldier, born in Gottorp, Oldenburg is asking to be given his freedom. It is likely that this soldier was captured in the 1809 Napoleonic Campaign in Austria where his regiment was part of the German Confederation contingent.

## 721

On the **address side** is a two-line hand stamp: *P.521/Cambray* and the boxed: *P.P.* postage paid hand stamp. Free-franking privileges did not extend to soldiers in that period.

On the **back flap**, here above the address panel, is a double-circle 25 mm receiving postmark reading: *September/12/1810.*

In the left top corner of the photocopied letter is a ledger entry, presumably of the Ministry of War: *No 3888/dm13 9-emc.*

THE 'GRAF ZEPPELIN' POLAR FLIGHT OF JULY 1931

There were no recorded Zeppelin airship flights that directly involved Newfoundland. Mail to and from the Dominion would have been sent via the USA or Canada, and this postcard addressed to Grand Falls, Newfoundland is one of the few mail items that were part of a mail consignment carried on a particular flight in 1931.

In order to raise funds for an arctic surveying expedition arrangements were made for the **'Graf Zeppelin'** airship to rendezvous with a submarine in the north polar regions, and there to exchange mail and passengers. The airship would then continue on its surveying mission. The American submarine proved unfit for the intended trip, even after a refit in Trondheim, Norway. Fortunately the Soviet Union was mounting a scientific expedition to the archipelago of Franz Joseph Land with the ice-breaker *'Malygin'*, which proved a ready-made alternative plan and was readily agreed.

Postcard sent from Staaken, Berlin dated 25 7 31, also bearing the receiving cancel from on board the icebreaker *'Malygin'; 27-7-31. to Grand Falls.*

On 24th July the *'Graf Zeppelin'* took off from Friedrichshafen, Germany and following an overnight stop at Staaken, Berlin to take on more mail and passengers it headed for Leningrad in the USSR. Again it took on more supplies for the Franz Joseph expedition. The flight continued on the 26th, rendezvousing with the *'Malygin'* in the bay off Hooker Island, where the exchanging was carried out. Mail taken on board the *'Malygin'* received a special handstamp, **BRISE GLACE 'MALYGUIN' ARTIQUE 27-7-31.** A special cachet was applied to mail items on board the airship. When the icebreaker finally docked the mail was sent to destinations by normal surface routes.

Very few examples of such mail to Newfoundland are known to exist, and all were dispatched from Germany. The imprinted prepaid stamp on postal stationery such as on this item served no postal purpose. This item cannot be considered a philatelic item of Newfoundland having no receiving link.
