COASTAL MAILS **84** COASTAL WEST

THE ROBERT GRIEVE CONTRACT: COASTAL WEST TAKES A MAIL TO CAPE BRETON 1874

In 1871 under a renegotiated contract, Grieve began separate sailings to the south coast (Coastal West) and the north coast (Coastal North). With access to a variety of his vessels, the *Hercules*, *Tiger* and *Leopard* alternated on Coastal West and North to carry the mail. Although Channel was the normal western terminus, on very rare occasions Coastal West might cross the Cabot Strait to Cape Breton, particularly to re-coal for the return voyage to St. John's.

Channel, December 17, 1874 to Marble Head, Mass. Carried by Coastal West vessel to North Sydney for the US mails via Halifax. Backstamped CHANNEL Dec 17, 1874 (fourteen-type datestamp); NORTH SYDNEY NS Dec 18; HALIFAX NS Dec 21; and BOSTON, MASS Dec 23. Six cents rate to the United States (0872-0876), paid with 6-cent rose ABNC issue of 1870.

Only recorded direct cross-gulf cover from the west coast of Newfoundland during ABNC period; one of only five covers known paying the short-lived 6-cent US rate.

Reverse (reduced) showing verifying backstamps

Bidding Tip

An estimated value (i.e. Est 100.00) indicates what we estimate a lot is worth in Canadian funds after taking things like catalogue value, condition and demand into consideration. We have found that lots with estimated values usually sell for between 70% and 125% of the estimates. Bids under 70% stand a reduced chance of success.

GR. BRITAIN**STAMPLESS COVERS 1832-1850:**
